

SPHERO HERO APPLICATION GUIDE

2023-2024

The Sphero Hero Program is designed to recognize and celebrate innovative educators who are transforming education through the use of Sphero. This guide will help you understand the Sphero Hero Program and navigate the application process.

- **May 15, 2023 - Applications Open**
- **July 17, 2023 - Applications Close**
- **August 10, 2023 - New Heroes Notified**

Mark your calendar and don't miss your chance to be a part of an exciting community of Sphero educators!
Sphero Hero tenure is August '23 – July '24.

What is the Sphero Hero Program?

The Sphero Hero Program is a global ambassador initiative that identifies and celebrates pioneering educators who are effectively integrating Sphero products into their classrooms and curriculum. These educators create engaging learning experiences, inspire other teachers, and contribute to the growth and development of the Sphero community.

As a Sphero Hero, you will have access to exclusive benefits, such as:

- Give input on and gain early access to new Sphero products and features
- Opportunities to collaborate with Sphero on content and product testing/development
- Networking and knowledge-sharing opportunities with other innovative educators from around the world
- Access to exclusive webinars, resources, discounts, and professional development opportunities
- Exclusive message board that includes the Sphero team and 100+ Heroes
- Recognition on the Sphero website and social media channels

APPLICATION PROCESS OVERVIEW

The Sphero Hero application process consists of the following steps:

- Personal Information:** Provide basic information about yourself, such as your name, contact details, and current role in education.
- Professional Experience:** Answer short questions related to your professional experience and how you've utilized Sphero products or content in your teaching.
- Video Biography:** Create a 2-3 minute video showcasing your passion for education and how you exemplify Sphero's mission of Inspiring the Creators of Tomorrow.
- Sphero Edu and/or littleBits Classroom Activities:** Design and share two new and original activities using Sphero technology.

PREPARING YOUR APPLICATION

Before you begin the application process on May 15, 2023, gather the necessary information and materials:

- Personal and professional details
- Details about your experience using Sphero in the classroom
- A video biography that addresses the following questions:
 - Why did you choose education?
 - What are you passionate about as an educator?
 - How do you exemplify Sphero's mission?
- B-roll & Photos
- Before the end of the school year, amp up your video application with footage and photos from your Sphero projects in action to show how you're using Sphero to inspire the creators of tomorrow!
- Two original **Sphero Edu** and/or **littleBits Classroom** activities, submitted through the respective platforms.
- Note: for Sphero indi activities, please create a lesson plan in Google docs that is viewable by the Sphero team.

SUBMITTING YOUR APPLICATION

Once you have prepared your application materials, follow the instructions provided in the application form. Be sure to double-check your responses for accuracy and completeness before submitting.

On May 15, 2023, applications will be available [here](#). Applications will be open until July 17, 2023.
